\*Healthy tip of the month **Limit TV and computer time.** When you do, you'll avoid mindless snacking and encourage activity. Research has shown that kids who cut down on <u>TV-watching</u> also reduced their percentage of body fat. When TV and computer time are limited, they'll find more active things to do. And limiting "screen time" means you'll have more time to be active together.

## Christa McAuliffe & Oasis Elementary - Lunch Menu – January 2020
